

UC Cooperative Extension • Napa County

1710 Soscol Avenue, Suite 4, Napa, CA 94559 • (707) 253-4221 • cenapa@ucdavis.edu

In an effort to control costs, while continuing to provide quality service, we are switching to an online delivery format for our Viticulture and Weed Science programs, as well as for our *Vineyard Views* newsletter.

To join, login to the UC web site and subscribe. “Announcements & Special Events” and the “*Vineyard Views*” newsletter must be subscribed to separately.

You will receive email notifications as information is posted.

See UC web site address and instructions below.

***New!* Announcements & Special Events**

Meetings, campus & industry events, field days,
opportunities to collaborate on UC research projects

Vineyard Views Newsletter

Latest information from our Viticulture & Weed Science programs,
results of UC research and recent publications

Web Site
